IN WORLD AFFAIRS 1951 WAS
TURBULENT, BUT HERE AT
GREENCASTLE HIGH WE HAD
AN EVENTFUL YEAR, FOR

'51 WAS THE YEAR WHEN . . .

Sometimes we go of our own accord, but sometimes . . .

Throughout the year the busiest room in Green-castle High was the office of our principal, Mr. McCammon. From fall to spring we flooded the office seeking schedule changes, special permissions,

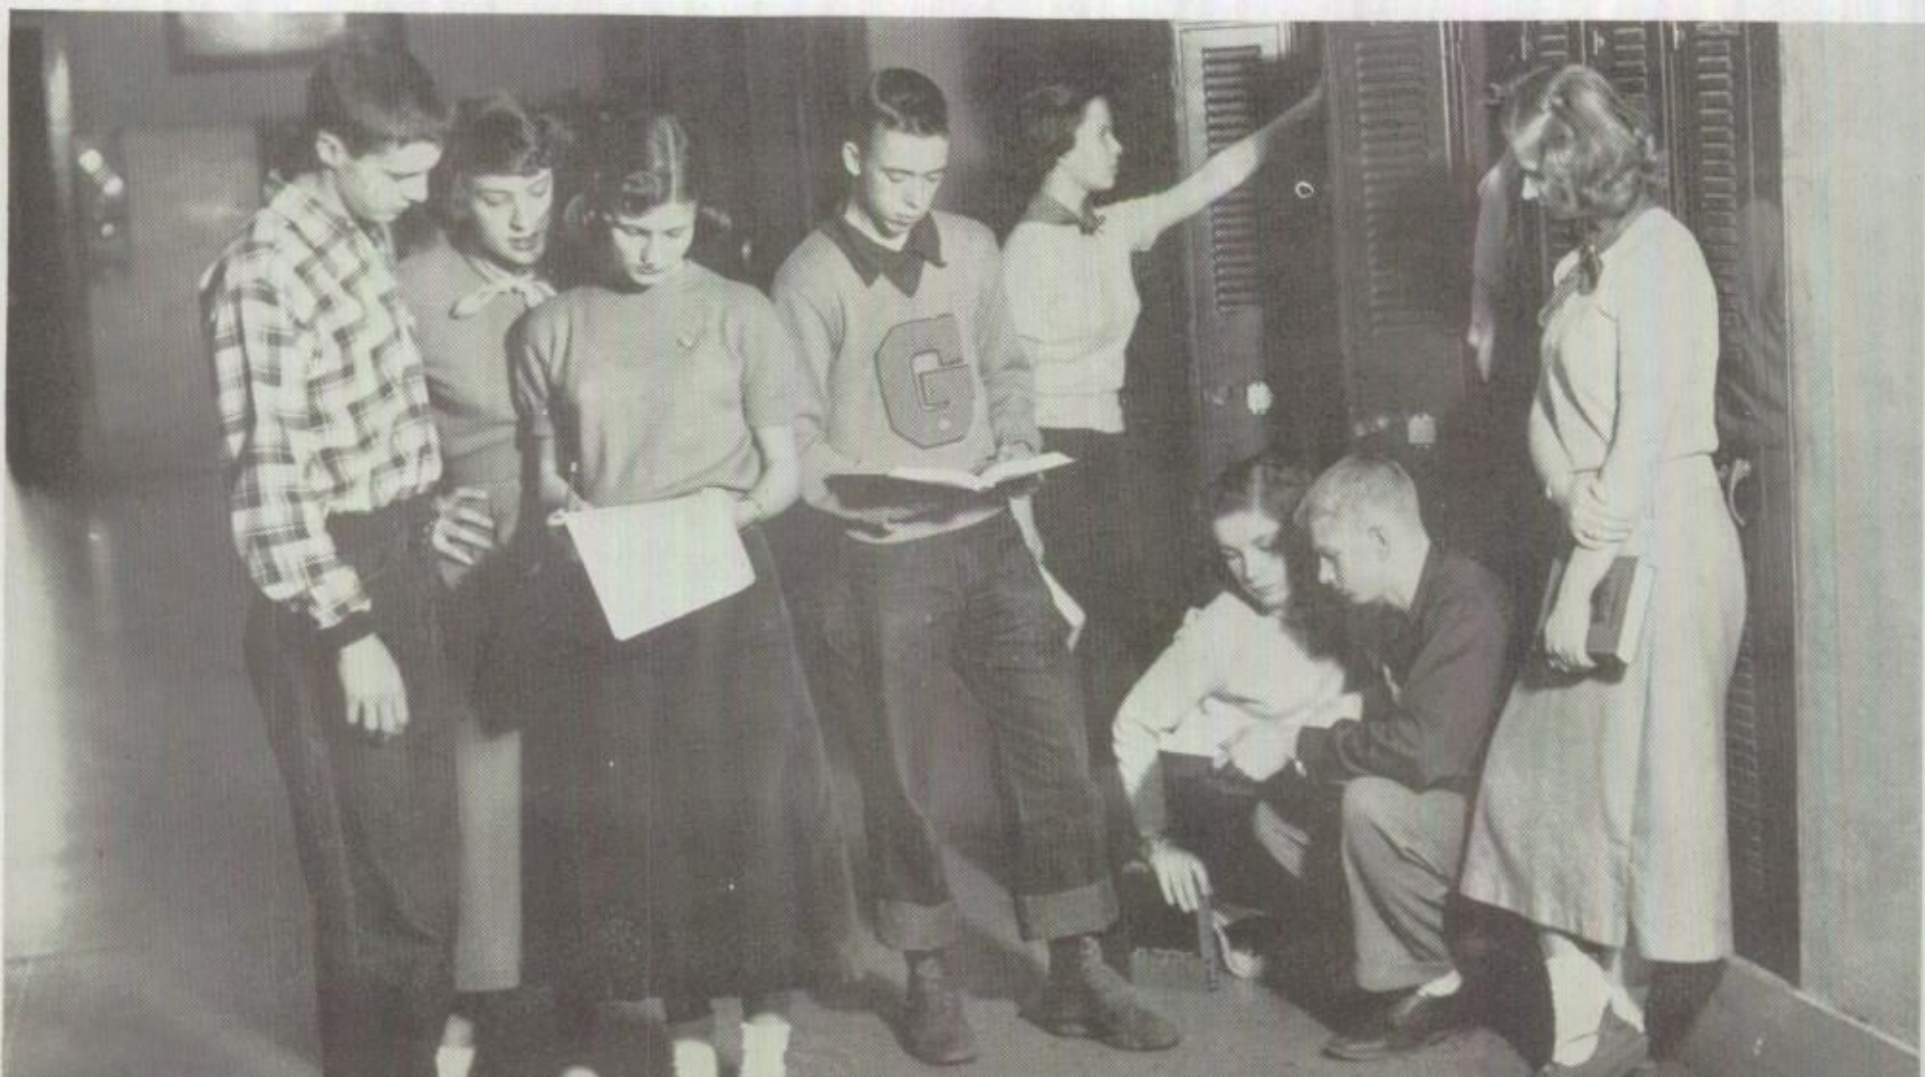

basketball and football tickets, counseling, and general information. The pleasant answer to almost every request was, "Come in to my office; we'll see what we can do about it".

We found the routine was much the same,

While almost every student had a class which he considered his favorite, the most popular period of the day was the five-minute break between classes. In this short interval we found time for

gossip, comparison of notes, exercise, "locker hang-ing", and other releases from the rigors of school life.

Who has the answer?

All set for the Greenfield trip

"Block that kick!" "We want a touchdown!" Last fall football started at Greencastle High after nineteen years of inactivity, and with this sport

there came an added school spirit and enthusiasm. We hope its popularity will continue, and football will remain a basic part of our athletic program.

... but we also discovered some important changes

For G.H.S. 1951 was a year of several "firsts", one of which was the new vocational machine shop. In this modern room the new benches, vises, lathes,

and presses enabled the boys interested in metal work to construct many types of small tools and other metal devices.

Our vocational program expanded;

"Learn by experience!" The boys in the vocational building trades class spent half of their school day in required classes and the other half on production jobs. This year they completed a concrete drive, a native stone wall, and a four car garage; they have remodeled another garage and have done numerous repair jobs in the school buildings.

This year the diversified occupations program or "On the Job Training" became part of our curriculum. Girls and boys taking part in this program worked at various jobs in Greencastle, gaining valuable experience and receiving some compensation. This program extended our school laboratories and provided trained workers after graduation to employers in this community.

... the activity period became a part of our schedule

From 10:15 to 10:45 during each school day, we enjoyed our new activity period, which was initiated to provide a time for club meetings, convocations, pep sessions, class meetings, or other student functions. The establishment of this period

enabled us to carry on extra-curricular activities without interfering with the regular class schedule. We feel that the activity period has fulfilled its purpose, and we hope that it will remain an essential part of the school program.

Sweetheart of Hi-Y

Highlighting the program of the Hi-Y Club was our annual Sweetheart Dance. Nearly thirty couples danced to the music of Chuck Dappert's orchestra and applauded with approval the selection

of Nancy Torr as the Hi-Y Sweetheart of 1951. The beautifully decorated gym and the delicious refreshments added to the valentine atmosphere.

We enjoyed our dances and parties,

December 22, 1951, was the date! The girls' gym was the place! And Bill Grimes' band furnished the music for the formal Y-Teen Christmas Dance.

Fifty couples danced for three hours, taking time out only to consume the delicious punch and cookies which the Y-Teens served.

"The pause that refreshes"

Injuns for a day

Perhaps no other phase of our extra-curricular activities afforded more pleasure or fear than that of initiations. Although various organizations held

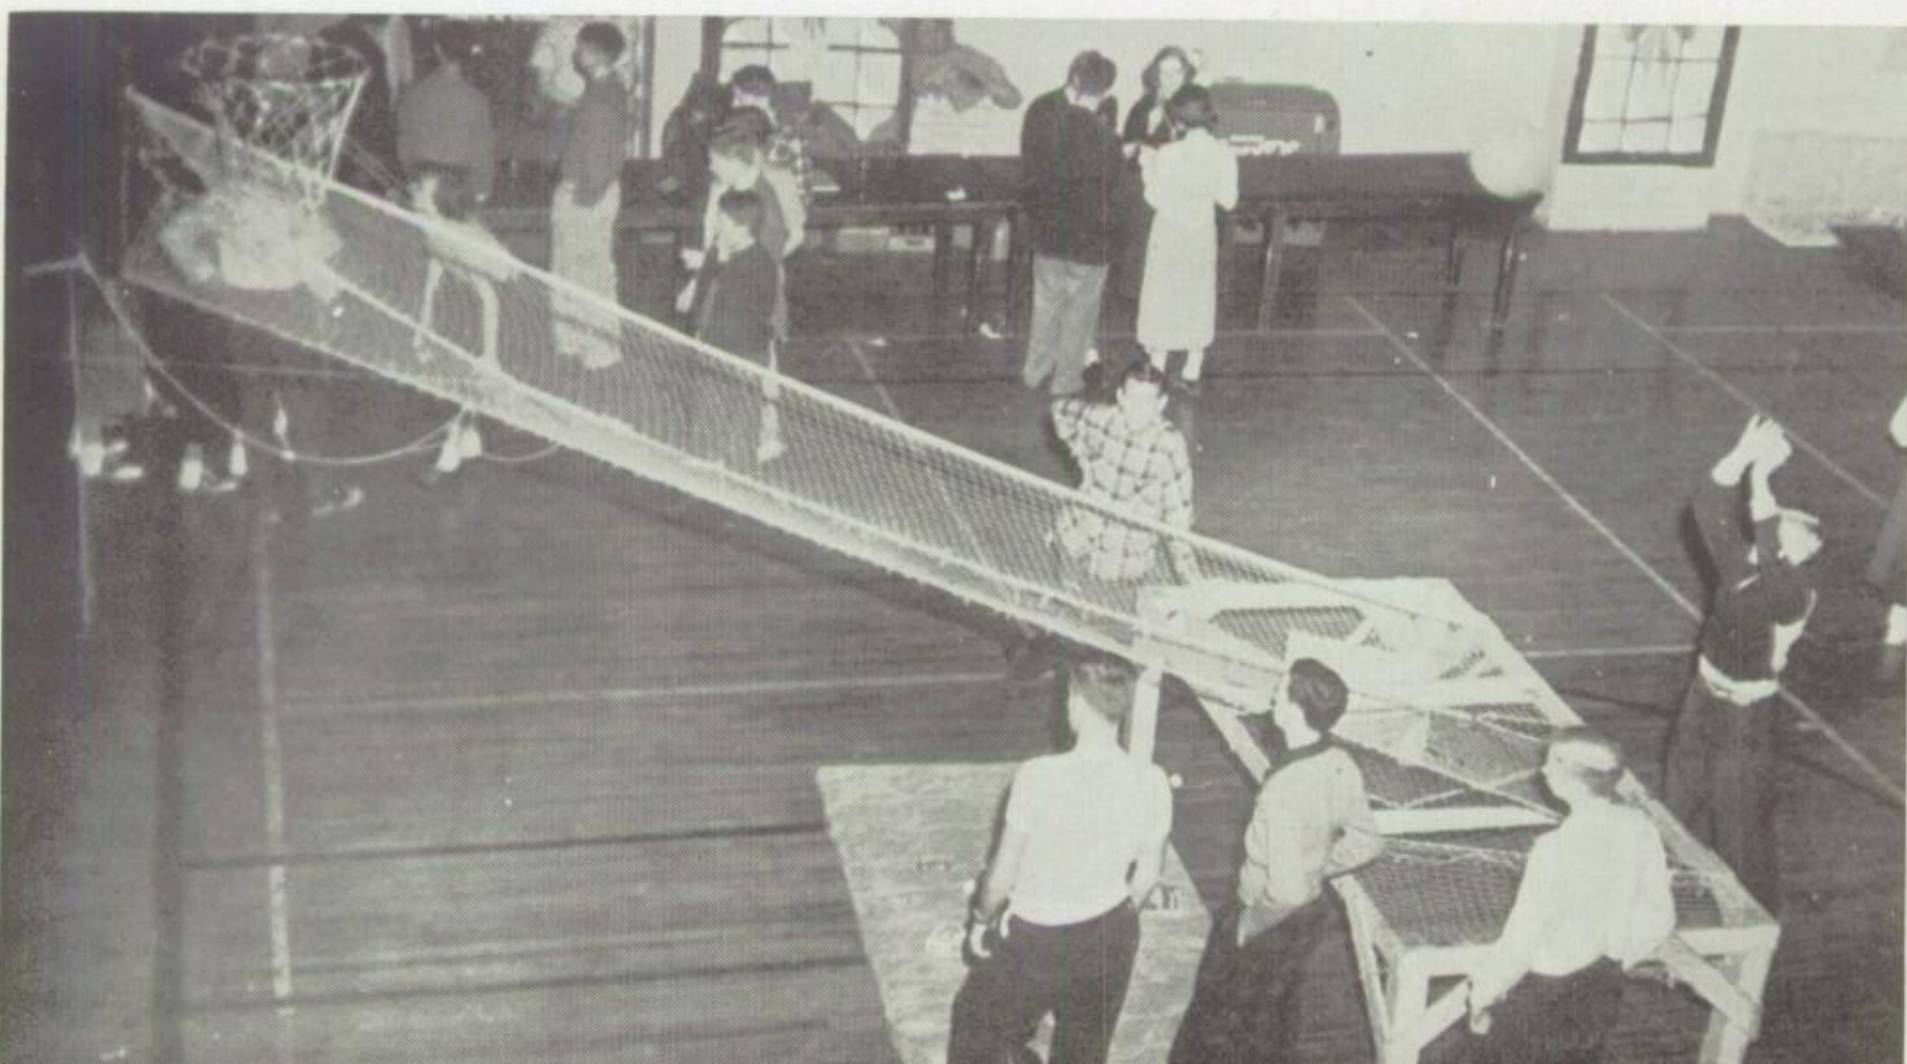

unique initiations during the year, no doubt the most colorful was the freshman affair with its lipstick, grease paint, loud shirts, and blue jeans.

... and had fun at our initiations and carnivals

A frantic scream accompanied by a hysterical laugh filled the building. Twenty shaking girls stampeded down the circular stairway from the Spook House. It was January 13, 1951, when the

Hi-Y Club staged its hilarious carnival, complete with its basketball throw, side shows, refreshment stand, games, and other types of entertainment.

"Mother Is a Freshman" cast takes a bow

Fourteen seconds! That's eight seconds off the record!

Our plays were humorous and entertaining

The newly organized Dramatics Club under the sponsorship of Mr. Steckler presented the play entitled "Mother Is a Freshman" on the night of November 9, 1950. The leading roles in this three-act comedy were played by Dorothy Bieber, Norma Sims, and Bob Neal.

The junior class presented the play, "Cheaper by the Dozen", on the night of January 26, 1951. Doyne McKeegan played the part of "Dad", the prominent efficiency expert, who was always pushing ahead with better organization for his large and delightful family.

... while our convocations were frequent and interesting

During the year we enjoyed many convocations. Almost every week we watched and listened to such performers as Dick and Shag, pantomimists; Art Miller with his phonetic punctuation; Bill Martin, Jr., a nationally known storyteller; Staples, the

magician; and Miss Meta van Gelderen, an exchange student from Holland. Miss Walls and her convocation committee were also responsible for the Living Pictures Program at Christmas, a college choir appearance, and numerous speakers.

Mr. Skelton points the way

In our social studies classes we have striven to understand our government and its many problems. We have learned that the future of democracy

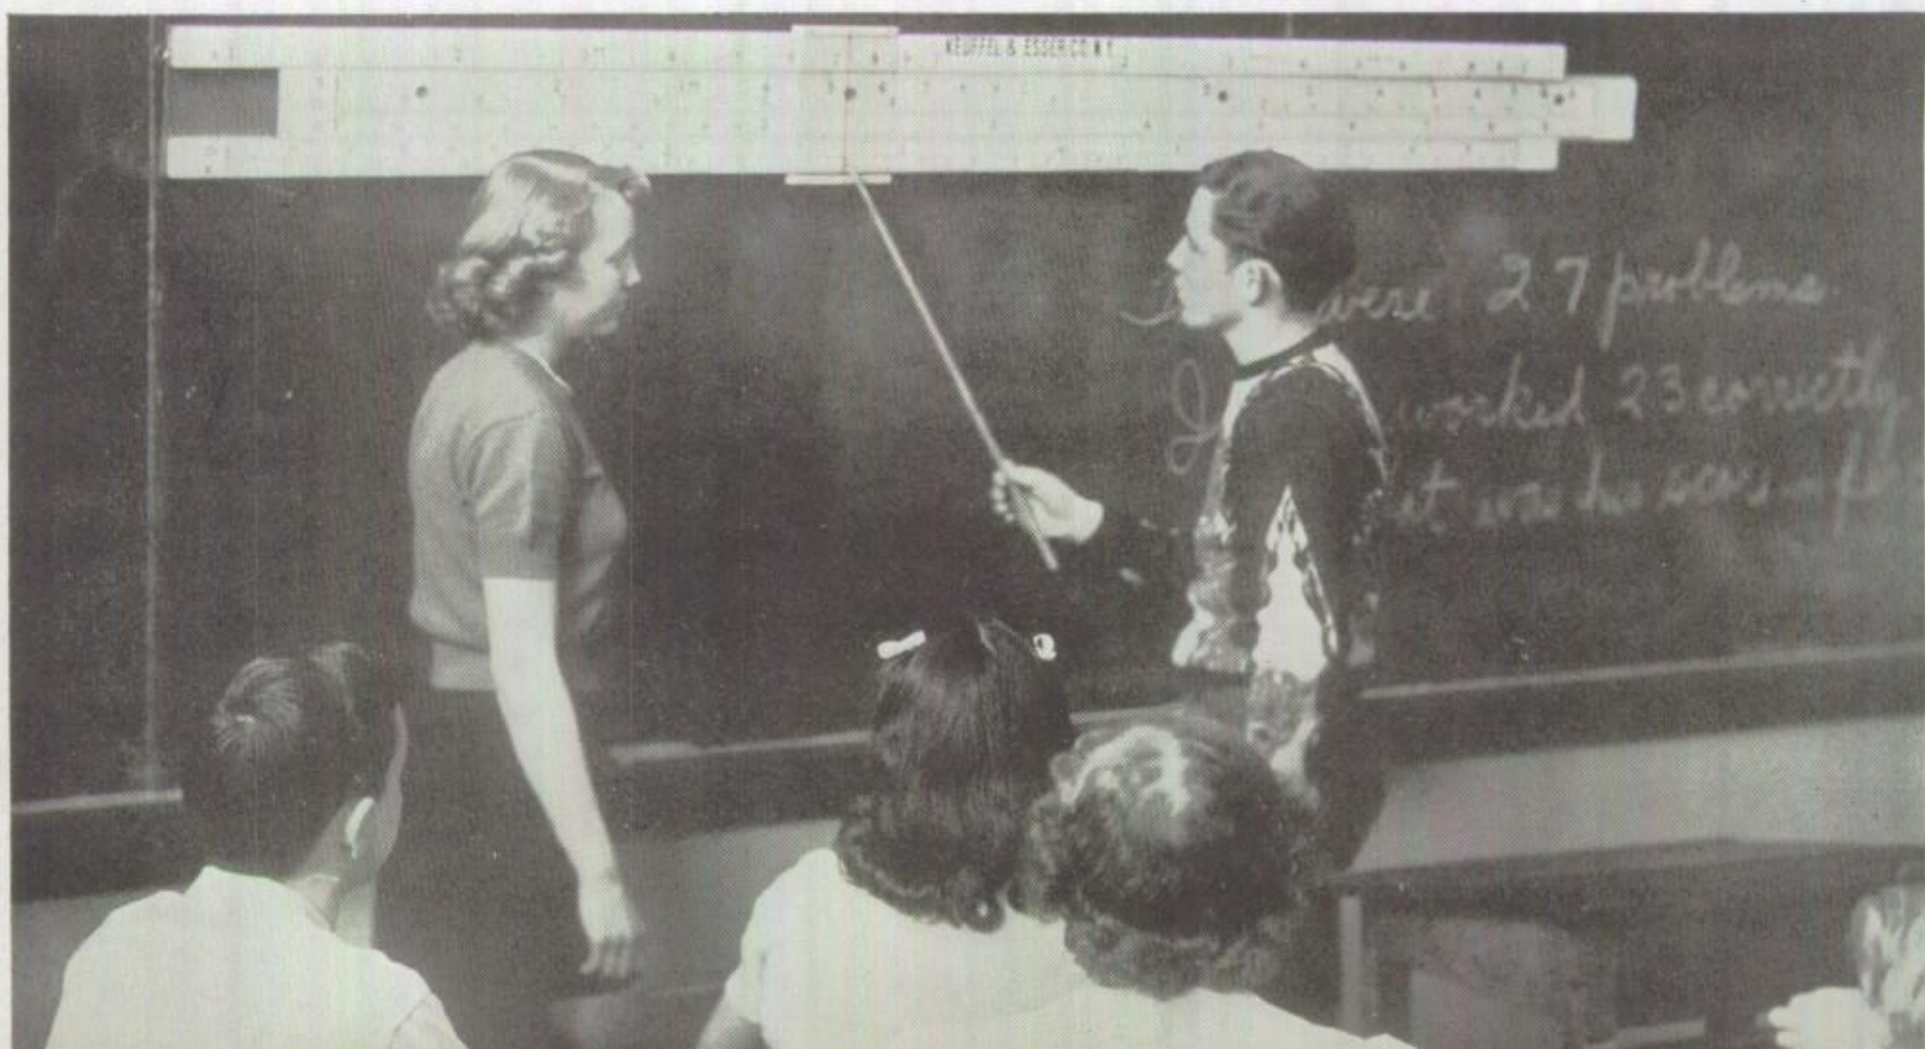

depends on the people, and that we as students can improve our country by taking an interest in democracy and by making a study of it.

In classes we studied and held discussions,

In our mathematics courses we have learned to recognize the valuable part this subject plays in our everyday lives and in the various vocations. The

slide rule which we have used in the classroom is just one of several instruments with practical applications.

Art class in action

The art classes of our high school had a very busy and interesting year. The students were introduced to many phases of art such as textile painting,

leather tooling, Egyptian card weaving, and charcoal drawing. Many students showed outstanding ability in their work.

... conducted experiments and took examinations

The theory of "learning by doing" is especially stressed in our science classes. By conducting experiments in our laboratories, we gained much scientific knowledge from actual observation. We studied

plants and animals in biology. In chemistry and physics we learned about matter and energy and their relation to each other.

The little things in life

The F.H.A. weekly spudnut sale

To help finance the many social functions of the classes and various clubs, money was required in substantial amounts. The freshmen and sophomores sponsored dances, the juniors gave a prom, the seniors pub-

lished the yearbook and had a picnic, and the many clubs had other special activities. During the year we profited by selling such items as candy, cokes, cookies, chewing gum, ice cream, pop corn, hotdogs, and spudnuts.

Meet our janitors . . .

We appreciated the excellent job performed by our janitors, Vernie Buis, Russell Leslie, Roy Dickson and Lloyd Chadd. By keeping the building warm, clean, and in good repair, by redecorating

our classrooms, by making school grounds more attractive, and by keeping walks free of snow, they have helped make our life pleasant and more comfortable.

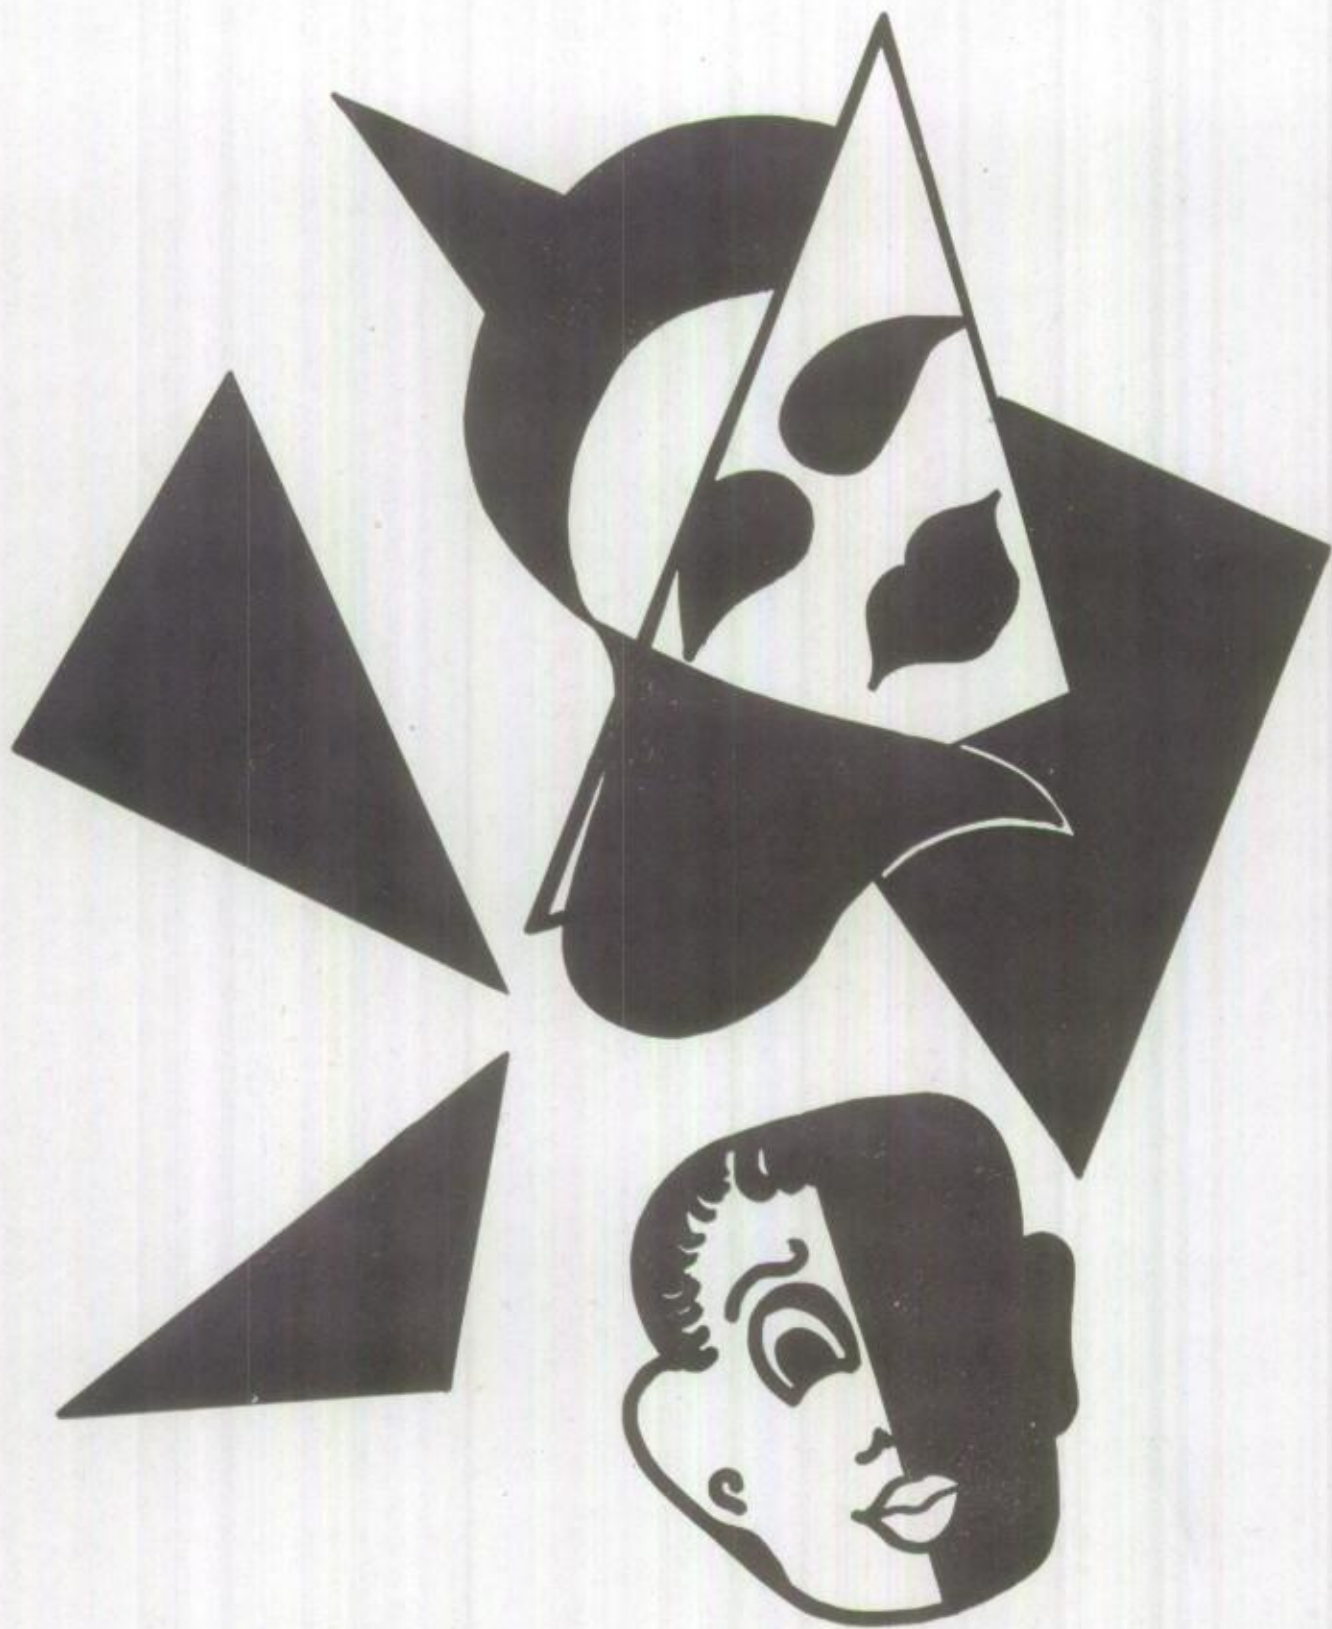

Of course we had help . . .

When the bell rang at 3:45, some students headed for Fleenor's Drug Store; some went to work; but over two hundred fifty of us boarded twelve school

buses for a five to forty minute ride home. This year our dependable drivers braved a most severe winter to carry us safely to and from school.

Just as sure as 3:45 . . .

SENIOR CLASS HISTORY

Early in September of 1947, there descended to the main hall of Greencastle High School a great horde of ambitious former eighth-graders who were possessed of but a single desire—to become dignified, polished high school seniors. We assembled in the G.H.S. auditorium and proclaimed ourselves The Class of Nineteen Hundred Fifty-one. We elected our first officers: Wendell Bitzer, president; Nancy Torr, vice-president; Harriet Brooks, secretary; and Marcia Fobes, treasurer. To represent us in the student council the class chose Harriet Brooks and Gerald Etcheson. Our sponsor for that year was Mrs. Compton. The social life of the class began early in the year at a party held for us by the sophomore class. In return, we held a spring dance for the sophomores near the end of the year.

In the fall of 1948, the Class of 1951 returned to school at a new level. We were no longer "the young ones" of Senior High. We were now full-fledged sophomores. This year we chose as our president, Wayne Mason; vice-president, Bill Lawrence; secretary, Marcia Fobes; and treasurer, Harriet Brooks. Our student council representatives were Bill Lawrence and Harriet Brooks. Mrs. Dobbs acted as our sponsor. This was the year we showed them how a freshman initiation and party should be handled. Early in the spring we enjoyed a dance given by the freshman class.

In our Junior year, we elected Bob Poor as our president; Charles Meyer, vice-president; Dorothy Bieber, secretary; and Harriet Brooks, treasurer. We sent Bob Neal, Nancy Torr, Wayne Mason, and Amy Saathoff to the student council. Miss Bartley served as class sponsor. Thus organized we were ready to sell candy at basketball games, present the junior class play, and select our class rings. This was the year in which we received a lot of experience putting out the Ink Pot. Climaxing our junior year, we served as hosts for that long anticipated Junior-Senior Prom.

Finally we reached our goal; we were the dignified Seniors of 1951. Senior members of the student council were Nancy Torr, Bill Lawrence, Dorothy Bieber, Bill Bunten, and Norma Sims. This year was studded with important events for us: the Senior Play, the Junior-Senior Prom, Class Day, the Senior Picnic, and Graduation Day. By cooperative effort we produced our '51 Minaret. While our staff was slinging ink, selling ads and getting subscriptions, other members of our class helped finance our yearbook by planning dances, having paper drives, and operating the concession stand at ballgames.

JUNIOR CLASS HISTORY

In the fall of 1948, the Junior Class took its initial step toward graduation. As freshmen we elected David Alexander, class president; Gordon Whitman, vice-president; Flo Ann McGuffey, secretary; and Doyne McKeehan, treasurer. We were very capably represented on the Student Council by Jeannie King and Bill Brown. We shall never forget all the razzing and teasing given by the sophomores during initiation. By spring we forgave them enough to honor them with a party.

When we became sophomores, we gleefully made the 1949 Freshman Class miserable for a day. Officers chosen for this year were: Joan Feld, president; Bill Brown, vice-president; Marlene Evens, secretary; and Bobby Lee Bryan, treasurer. We picked Marlene Evens and Gordon Whitman to speak and act for us on the Student Council.

Now we are Juniors! We have moved several rows closer to the front of the center section of the auditorium. At last we had the opportunity to help run the concession stand at the athletic contests. Not many weeks after Christmas we could be seen parading in the halls displaying shining new class rings. The dramatic talent of our class was proved in the presentation of the class play, "Cheaper by the Dozen." In May we invited the seniors to their long anticipated prom.

SOPHOMORE CLASS HISTORY

The Class of 1953 still recalls with pride the fall of 1949 when they first were allowed to have a locker and an auditorium seat downstairs. We somehow survived an extremely rough initiation party that fall. We elected Bill McMains, president; Dick Hedge, vice-president; Sonny Brooks, secretary; and John Dee Allen, treasurer. In our first year we picked Diane Shoemaker and Kenneth Torr to represent us on the Student Council. In the spring we entertained the sophomores at the annual freshman-sophomore party.

This year as sophomores we showed exactly how we felt the initiation of freshmen should be done. Our representatives in the Student Council were Barbara Mason, John Dee Allen, Johnny Krider, and Robert West.

FRESHMAN CLASS HISTORY

Finally we were freshmen. We were allowed to sit downstairs for convocations and were issued lockers.

A day in October was set aside for freshman initiation. On that day we wore jeans and went to our classes covered with lipstick and grease paint. We didn't mind much, however, because that night the sophomores welcomed us with a party. We will always remember our first social event in high school. Returning the hospitality of the sophomores, we gave them a party on April 6. Through planning and working together we made it a great success.

Our representatives to the Student Council were Dan Livingston, Warren Terry, Dick Crawley, and Jeanne Hickman.

We feel that we have had an eventful year, and that we are now very much a part of the senior high.

HEAD COACH

Making a successful debut as head football coach last fall was Mr. Howard Sharp (below). In only a few weeks, Coach Sharp, aided by line coach Joe Barber and athletic director Tom Goldsberry, molded a group of inexperienced boys into a hard working, effective unit. Coach Sharp's success resulted from gaining the respect of each team member.

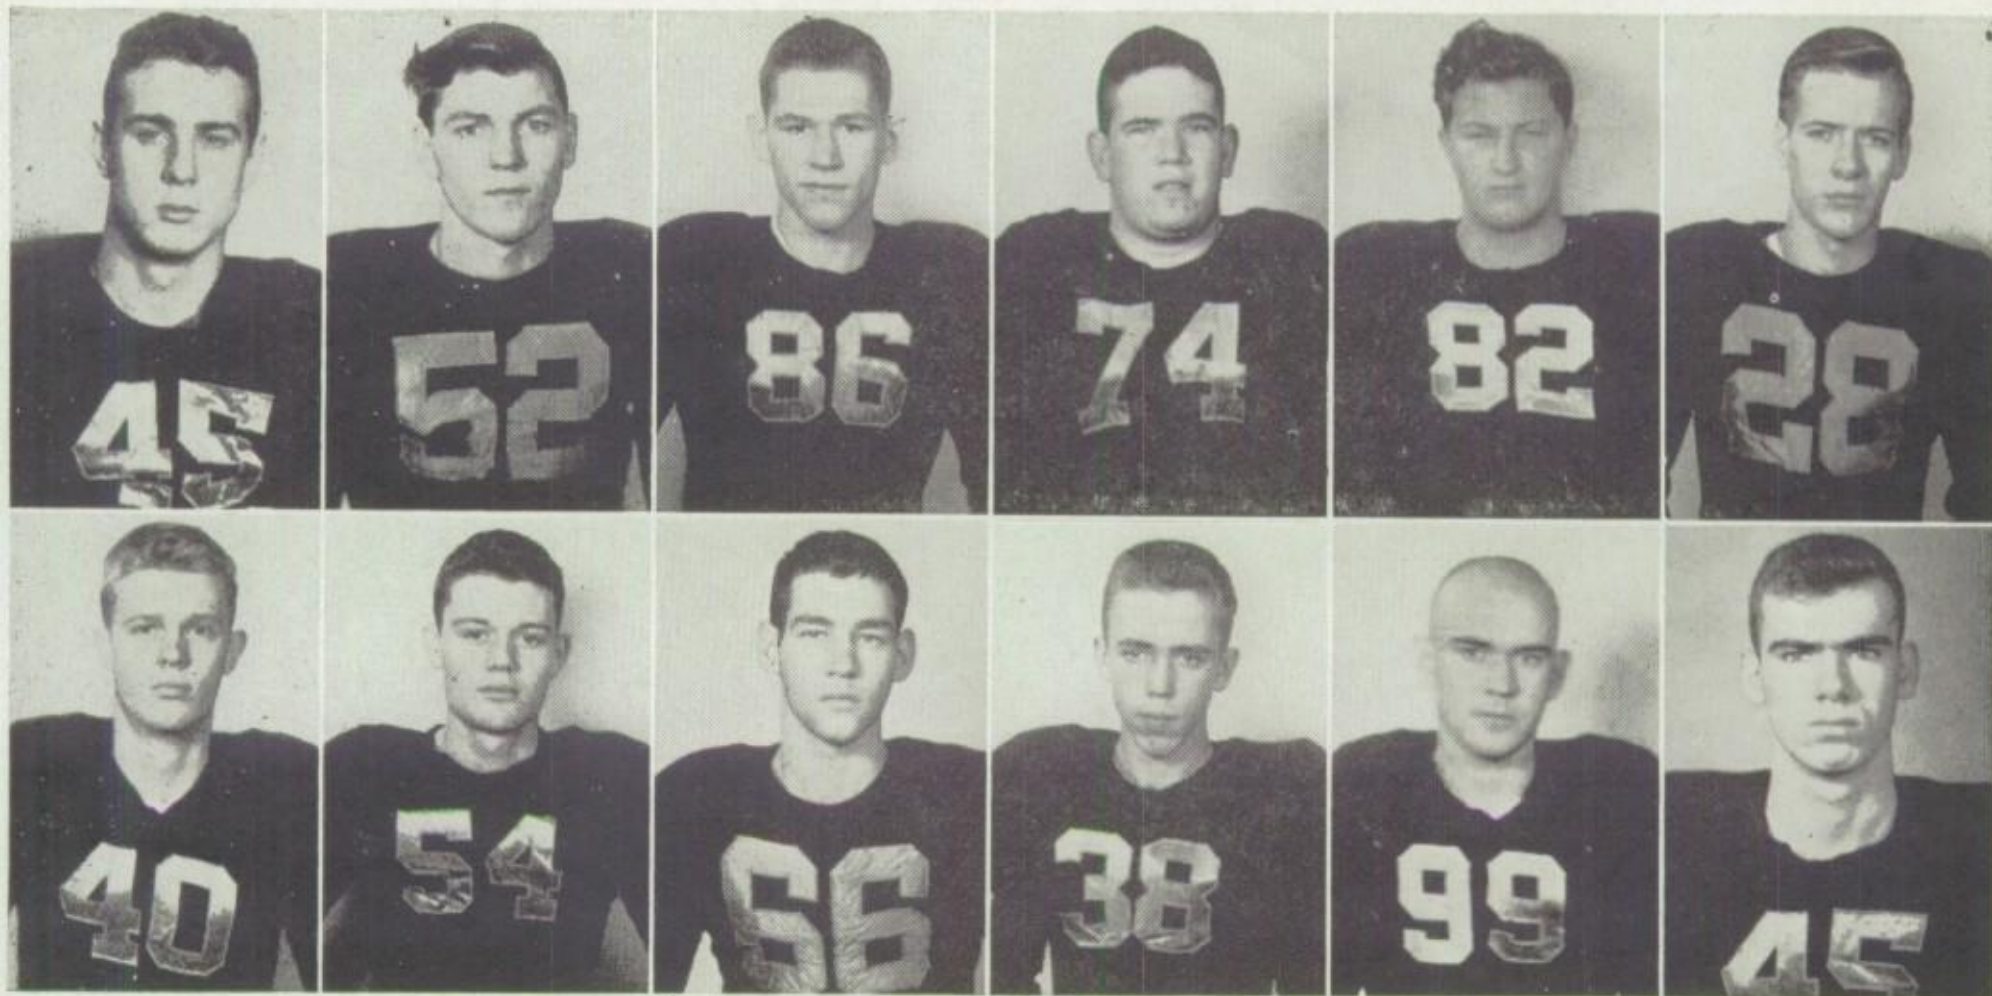

Football

Through the cooperative efforts of members of the School Board, Superintendent Zieg, Mr. McCammon, Athletic Director Goldsberry, Coach Sharp, and the Chamber of Commerce, the Greencastle Tiger Cubs took to the gridiron for the first time in nineteen years. DePauw University backed the project with the loan of Blackstock Field for home games. The team showed its appreciation by posting an impressive season record of four wins, two losses and one tie.

Practice started during the fall of 1949, but it was not until the middle of August of 1950 that Coaches Sharp and Barber drilled the squad with emphasis on competition. The team learned quickly and were eager to play when they met Mitchell in the season opener.

As the season progressed the boys became more skillful. Every team member worked and fought with all his might whether the team was behind or ahead. Coach Sharp impressed upon the squad the fact that the game of football teaches determination to strive for a goal and willingness to work with others.

Top row: **GEORGE BALDWIN**, 5' 9", 165 lbs., junior, guard. A hard charger and a bruising tackler, George played well offensively and defensively.

FRED BURROFF, 6' 1", 195 lbs., senior, tackle. "Rough and tough" Freddy made sure that no one came through that left tackle spot.

CHARLES MEYER, 6', 167 lbs., senior, center. As co-captain in all but one game, Chuck was the top lineman of the squad.

BOB ANDREWS, 5' 9", 198 lbs., sophomore, guard. Bob was a hard-hitting defensive man who could step in whenever needed on offense.

DON LEER, 5' 10", 205 lbs., junior, tackle. Don was not always a starter, but was always a fighter when he was in the line-up.

BOB POOR, 5' 9", 140 lbs., senior, guard. A teammate described Bob as "a tough guy in the center of the line". Bob was small, but full of determination.

Row two: **BILL LAWRENCE**, 6', 165 lbs., senior, end. Coupling speed with aggressiveness, Bill maneuvered from defensive end but managed to score a touchdown against Greenfield.

SHOBE GOULD, 6', 150 lbs., junior, end. Speedy Shobe scored 24 points this season. As safety man, he stopped many opposition touchdown attempts.

JIM ROACH, 5' 5", 145 lbs., senior, guard. Jimmy played mostly as an offensive guard because of his ability to out-charge any opponent he met.

BILL STROTHER, 5' 5½", 140 lbs., senior, guard. Being a scrappy never-give-up individual, Bill enjoyed the roughness of body contact and was always eager to play.

BOB MAHONEY, 6' 1", 195 lbs., junior, tackle. Bob was a very potent blocker and tackler, who played most of every game.

GERALD ETCHESON, 6', 150 lbs., senior, end. "Stretch" had nailed down a first string berth when he was injured in the Mitchell game.

Row three: **JERRY MASTEN**, 5' 9", 140 lbs., senior, halfback. Playing both defensive and offensive halfback, Jerry displayed considerable adeptness as a runner and tackler.

CHARLEY BROWN, 6' 1", 200 lbs., junior, end. Scoring 43 points to lead the Tigers, good-natured "Big Charley" was a crashing runner and a sensational pass receiver.

Row four: **JIM MILES**, 6' 1½", 170 lbs., senior, halfback-fullback. Jim was valuable because of his ability to play three positions.

JOHN HIRSHBURG, 5' 10", 170 lbs., senior, fullback. As a line backer, John gained the respect of many opposing halfbacks.

Row five: **BILL BROWN**, 5' 10½", 172 lbs., junior, halfback. Being fast, deceptive, and rough, Billy was the team's outstanding running back.

JOE TAYLOR, 5' 11", 170 lbs., junior, halfback. Joe was an excellent blocker for passes besides being a hard runner.

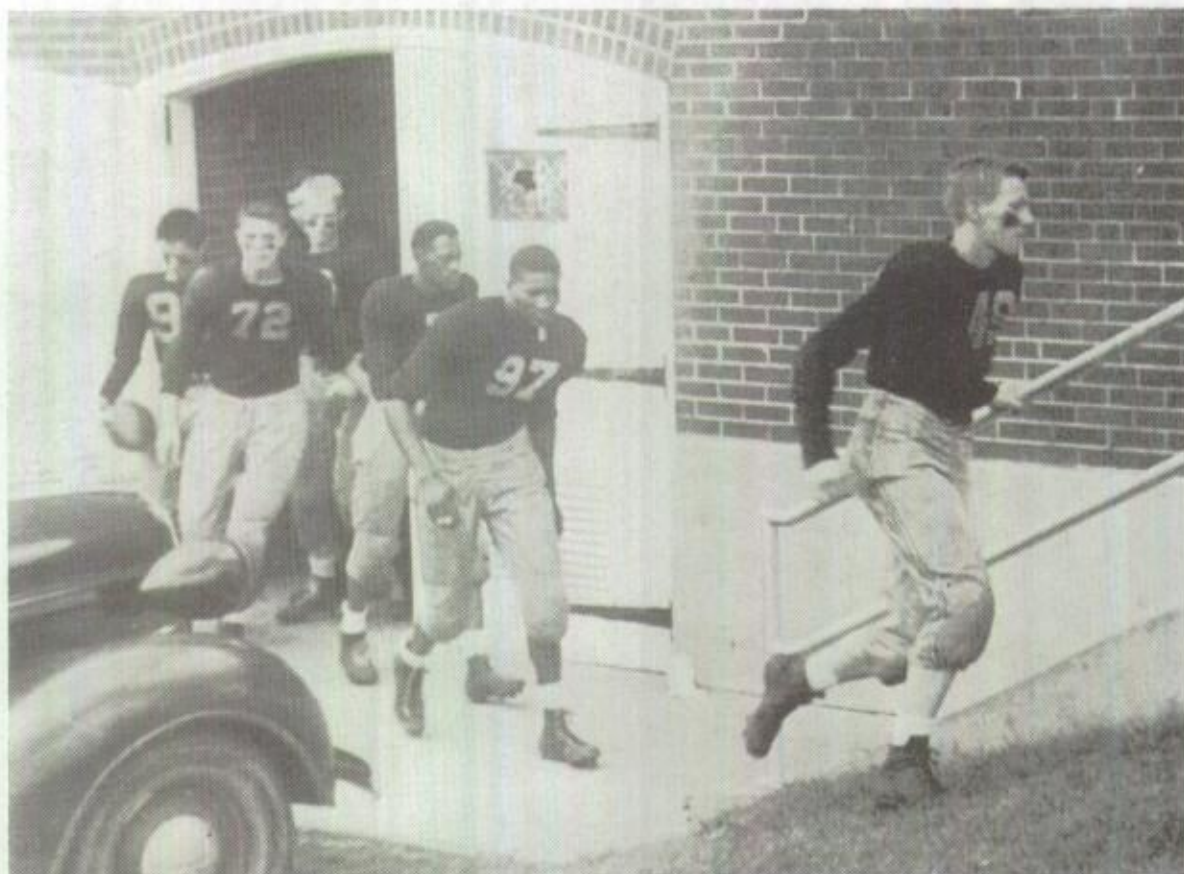

Row six: **BOB NEAL**, 6' ½", 165 lbs., senior, quarterback. Besides calling signals, Bob handled the passing, punting, kicking-off, and extra point kicking. He tallied 12 points for the Cubs.

DORWIN DUNCAN, 5' 9", 140 lbs., freshman, quarterback. "Dunc", the only freshman to see much action this season, should be a great player by his senior year.

1950 SEASON

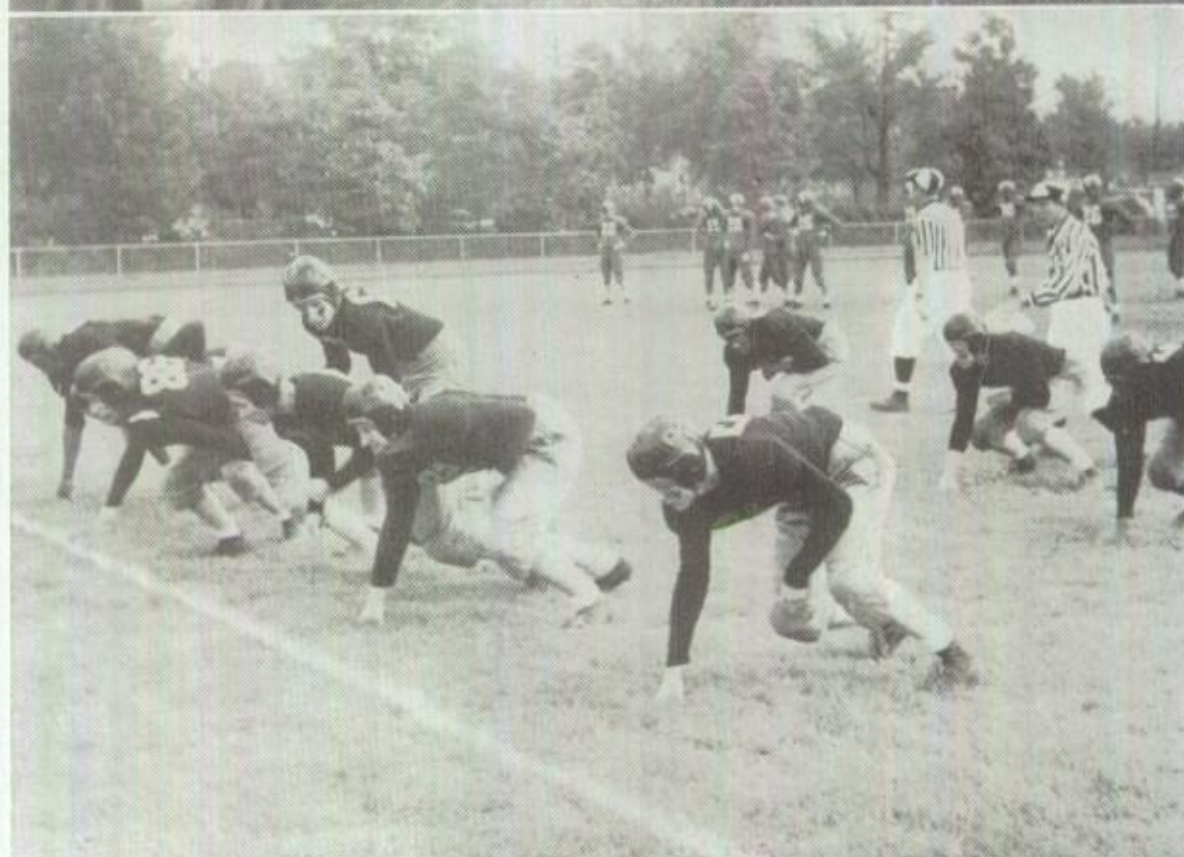

CUBS 6, MITCHELL 6

Playing for the first time, an inexperienced, but hard-fighting Tiger Cub squad tied a host Mitchell Bluejacket team in the most thrilling game of the season. McCart of Mitchell opened the scoring in the second quarter on a deceptive fifty-eight yard reverse play. The Cubs bounced back in the fourth period, however, on an eighteen-yard touchdown pass from Bob Neal to Shobe Gould.

UNIVERSITY HIGH 26, CUBS 12

Although outweighed, the Cubs fought until the final gun. They scored with only twenty seconds to play on a pass from quarterback Neal to end Charlie Brown, the play being good for fifty yards and Greencastle's second touchdown. Gould provided the play of the game when he scooped up a University High lateral and raced thirty yards for a touchdown in the second period.

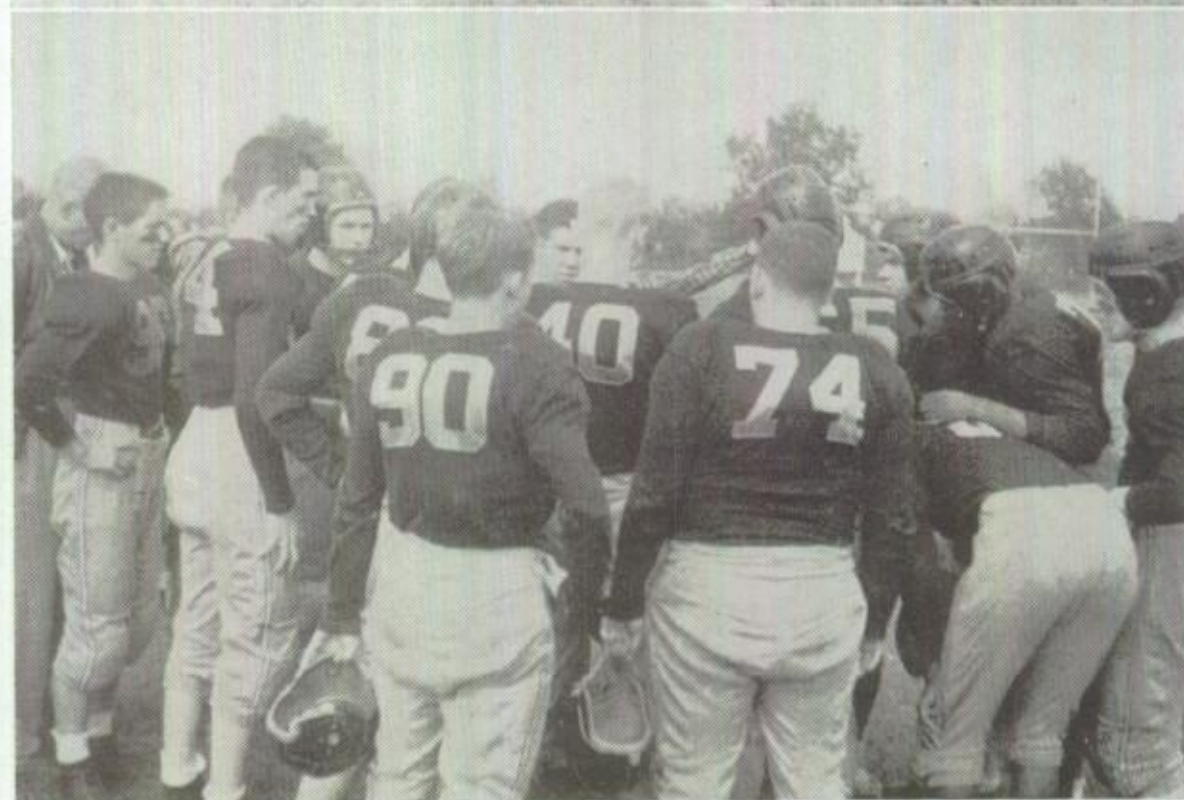

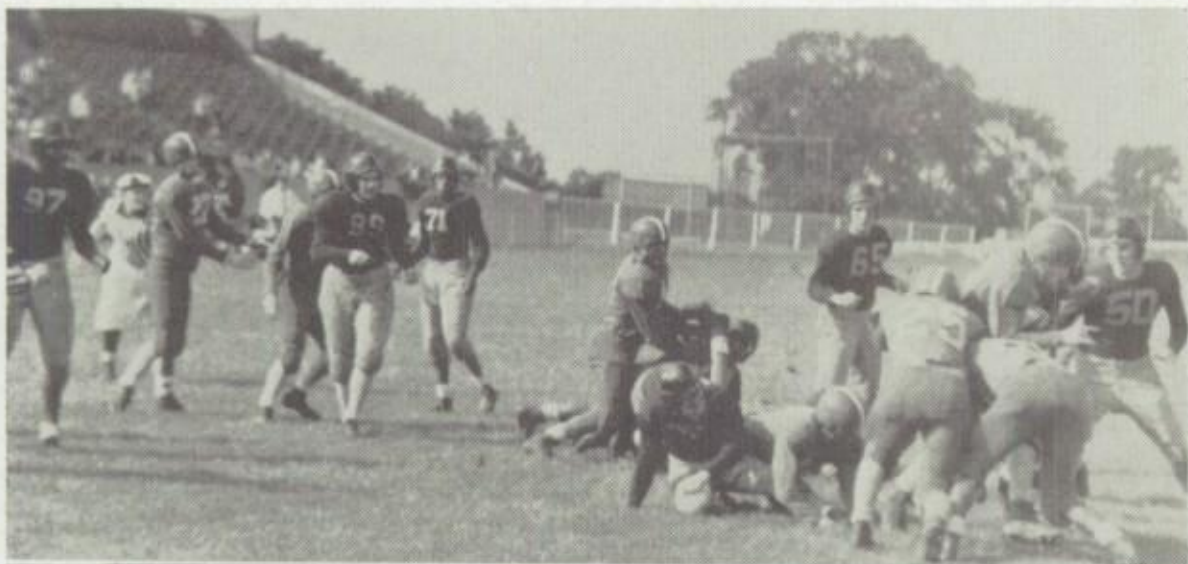

CUBS 14, CHARLTON 0

At Blackstock Stadium the Cubs turned in their first victory of the season over an extremely fast Boys' School aggregation. The Neal to Charlie Brown pass combination ate up the final twelve yards for a score in the second quarter. In the fourth period Joe Taylor scored on a well-executed running play. Neal drop-kicked both the points after the touchdowns.

CUBS 25, MARTINSVILLE 0

Displaying considerable power, Greencastle rolled over the Martinsville Artesians for an easy victory. Charlie Brown started the scoring spree on an end around play. Billy Brown scored as the half gun fired on a pass from Neal. Charlie Brown crossed the goal line again in the third period on another Neal pass, and the Cub quarterback added the extra point. In the final period John Hirshburg plunged three yards for the Cub's fourth touchdown.

DELPHI 38, CUBS 12

Facing their toughest opponent of the year, the Cubs bowed to the Delphi Oracles, whose flashy halfback, Dick Hatton, ran and caught passes for three touchdowns. The Cubs scored in the third quarter when Charlie Brown caught a ten yard pass and battled his way over the goal line. Chuck Meyer recovered a Delphi fumble on the next kick-off to set up Neal's pass to Gould for the Cub's final six points of the game.

CUBS 20, LEBANON 0

After being held scoreless in the first period, the Cubs roared back to score in each of the following quarters. Joe Taylor tallied in the second stanza on a sensational 20 yard end run. In the third period, Charlie Brown took a ten yard pass from Neal and sprinted fifty-five yards to pay-dirt. Late in the fourth quarter Taylor broke through the line and scampered thirty yards for the final touchdown. Neal kicked one of the extra points and passed to Charlie Brown for the other.

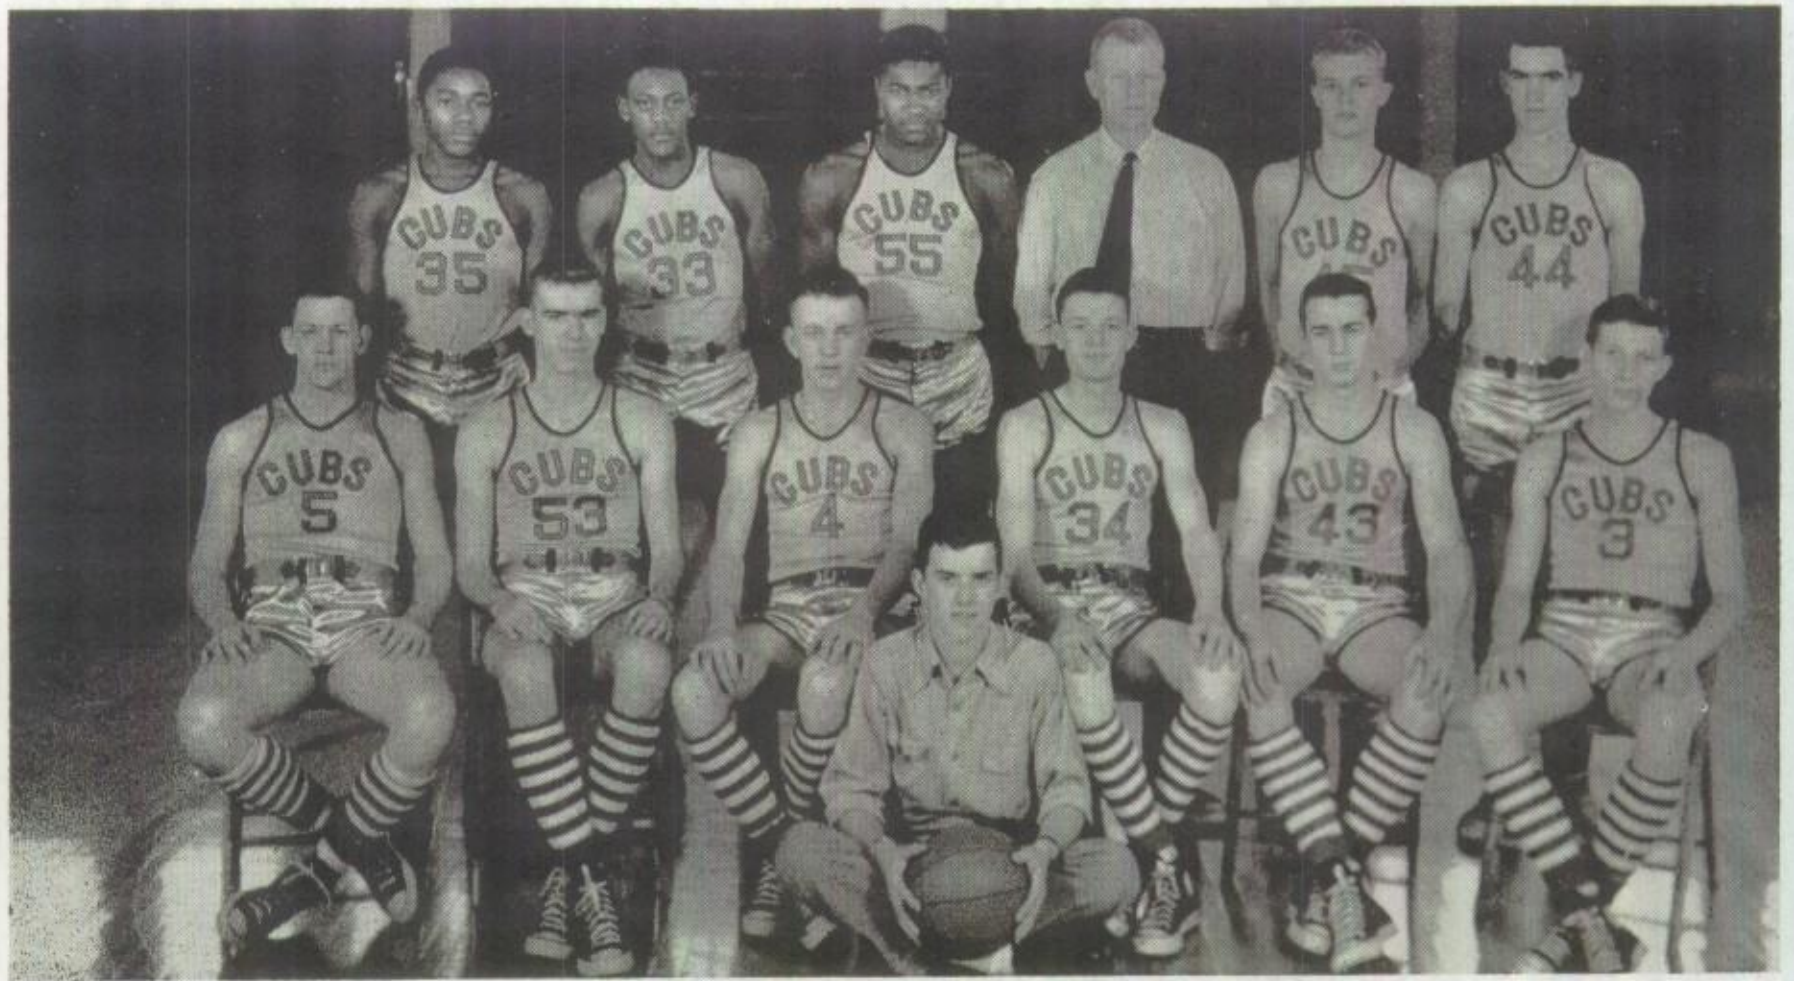

CUBS 32, GREENFIELD 6

The Tiger Cubs wound up the season by scoring a touchdown in every quarter. First, it was Charlie Brown on an end-around, then Neal on a quarterback-sneak. Both Bill Lawrence and Jim Miles snagged touchdown passes. The highlight of the game was Gould's sparkling eighty yard kickoff return. Neal got the two extra points on drop kicks.

MEYER AND NEAL CHOSEN MOST VALUABLE

At the Quarterback Club banquet honoring the football team, Chuck Meyer and Bob Neal were presented trophies having been voted "most valuable lineman" and "most valuable player" respectively. As a hard-charging center, Chuck played all but two minutes of the season; while at quarterback, Bob threw ten touchdown passes and scored twelve points.

Basketball

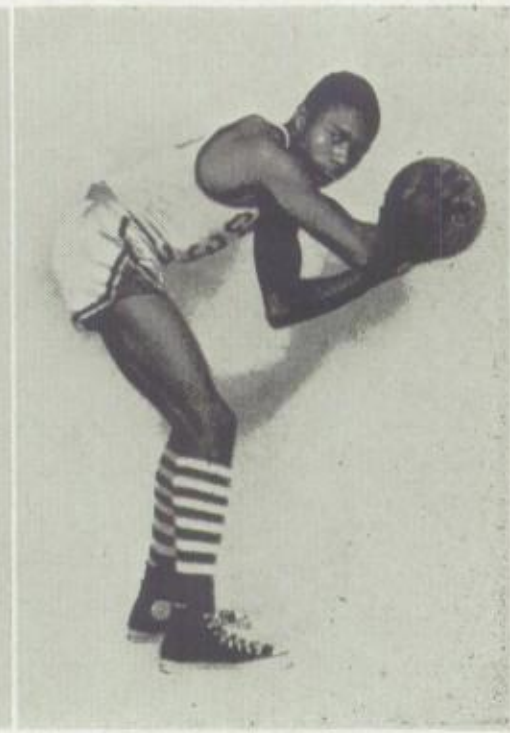

With perhaps the smallest squad ever to take the floor in the Greencastle High School Gymnasium, Coach Goldsberry developed a team that fought to the final gun, rebounded effectively, demonstrated team play throughout, and displayed a tight defense. Off to a good start at the beginning of the year, the Cubs were plagued by illness and injuries in mid-season necessitating the replacement of several veteran players. By tourney time this lineup of less experienced boys was clicking smoothly, as was proved in the season final against Broad Ripple. With the same starting five back again next year, the Cubs are going to be real contenders.

BILL BROWN, 5' 10", junior, guard. Bill's basketball prowess helped make the Cubs good defensively. He gave many high scorers bad nights.

CHARLIE BROWN, 6' 1", junior, center. Charlie's rebounding and drive were missed when illness pulled him out of the lineup in midseason.

JOHN HIRSHBURG, 5' 10", senior, guard. John's experience was missed when a football injury prevented him from active competition on the court.

GEORGE BALDWIN, 5' 9", junior, guard. George's aggressiveness proved valuable in the early season games.

ALBERT McMAHEL, 6', sophomore, forward. The season's most consistent player was Albert, who supplied the points when most needed.

GORDON WHITMAN, 5' 10", junior, guard. Gordon's accurate shooting was indispensable in many Cub ballgames.

JERRY MASTEN, 5' 8", senior, guard. The shortest man on a short squad, Jerry proved that speed helps make up for a lack of height.

SHOBE GOULD, 6', junior, center. Far down the list at the start of the season, Shobe became a valuable player by the end of the hardwood campaign.

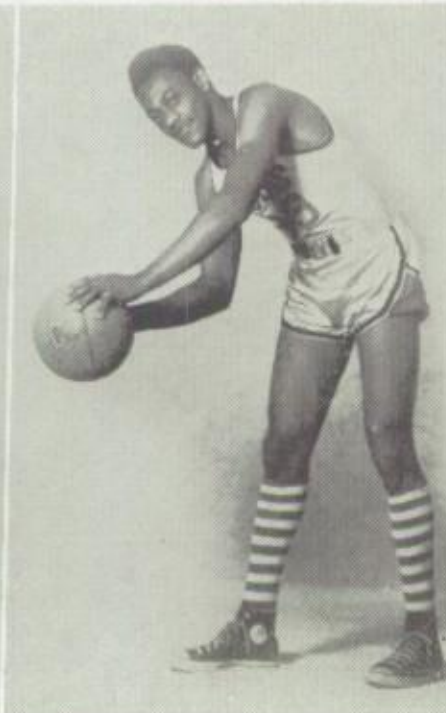

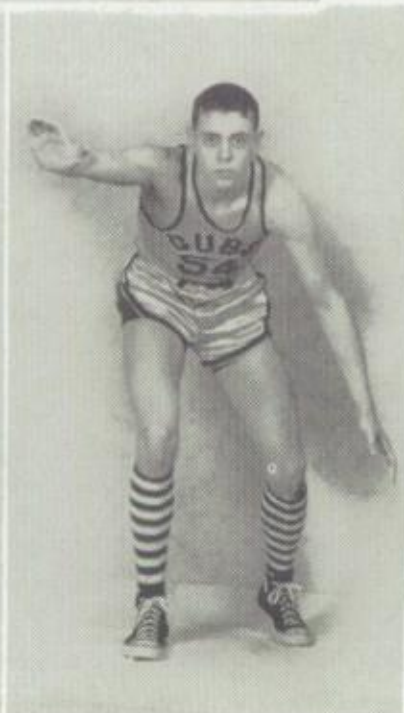

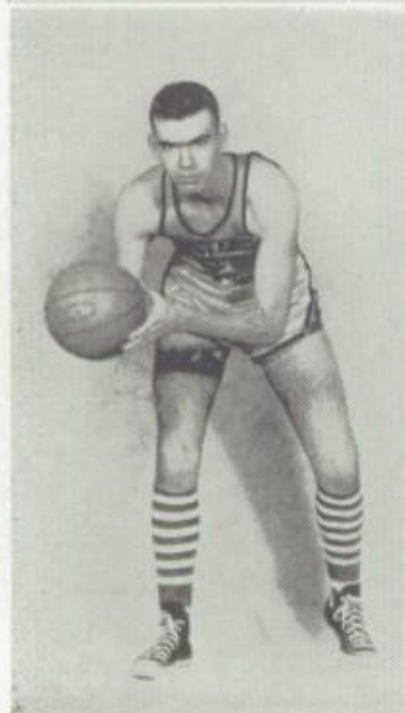

GERALD ETCHESON, 5' 11", senior, forward. Gerald was another reason the taller opponents couldn't do well against Greencastle. He was one of the better defensive rebounders.

JIM MILES, 6', senior, center. Jim was the type of ball handler who baffled the opposition and helped work in the ball.

JOE TAYLOR, 5' 11", junior, forward. Joe's rebounding ability helped to make up for the lack of height on the Tiger ballclub.

BILL LAWRENCE, 5' 11", senior, forward. Bill's rebounding and fight were used to undermine many Cub opponents.

SHERMAN REEVES, 5' 10", junior, forward (no picture). Joining the Cubs in midseason, Sherman's shooting earned him a starting berth by the end of hostilities.

Charlie Brown goes high to control the tip-off in the Martinsville tussle.

McMabel and Brown use their height to advantage to grab a rebound.

Our B-Team awaits the tip in their game with the Artesian reserves.

STUDENT COUNCIL

The Student Council was formed in the fall of 1944 in co-operation with the principal and faculty, "in order to develop a growing appreciation of membership in a democracy, to provide orderly and systematic participation in the internal management of activities, and to promote in all ways the best interests of the school."

The Student Council operates through committees consisting of one council member, five other students, and a faculty advisor. From 1944 until 1950 the membership consisted of students elected by their classmates. Amendment I to the constitution changed the membership to consist of one student elected by each home room.

This year the Student Council elected Nancy Torr, president; Bill Lawrence, vice-president; Dorothy Bieber, secretary; Bob West, treasurer; Gordon Whitman, parliamentarian.

Before Christmas the council collected coat hangers from the student body, which they sold to local laundries to raise money to buy Christmas tree decorations for the tree in the main hall. They also purchased a pencil vending machine for the convenience of the students and to help raise funds for their projects. The Student Council's sponsors this year were Miss Daggy and Mr. Akers.

This year marked the thirtieth anniversary of our school paper, The Ink Pot. Publication started in 1921 and has been continuous since then. Elizabeth Tilden, a junior, was the first editor. The Ink Pot had a predecessor in the form of a little magazine called "The Busybody." The name, Ink Pot, even had a predecessor. Miss Walls selected the name from a paper that had been published in Greenwich Village but which was no longer printed.

The price of our school paper has changed only once when it was raised from five to ten cents because of the mounting costs over a period of thirty years. The English class publishes it every two weeks, allowing the staff to rotate, giving everybody experience.

The profit gained from our paper is spent for good convocations or books to be placed in the library. In the past the school bought a complete set of books by Hugh Walpole, an English author, after he had been here for a lecture. Other authors which the school has had were Jeannette Covert Nolan, Robert Frost, and Hamlin Garland. Last year Mrs. Noland came for the second time, and this year Bill Martin, Jr., entertained us.

The Ink Pot receives papers from other schools, and is always able to compare and make any improvements that it sees are needed.

We extend congratulations to the Ink Pot on its thirtieth anniversary.

Its aims are to develop agricultural leadership, to create a love of country life, to encourage its members to participate in worthy undertakings for the improvement of agriculture, and to encourage thrift. Our active chapter gave parties, sold popcorn at the basketball games, attended district meetings, and gave assistance in the community when needed.

Our choir this year consisted of twenty-three members. Since this was not a large group, the members found it necessary to work doubly hard. They successfully proved their ability

by an excellent presentation of music for the annual Living Pictures Program at Christmas. Other notable performances included the following: a Thanksgiving Convocation, Band-Choir and Spring Concerts, the District Choral Festival at Frankfort, a radio broadcast, and Baccalaureate.

Formal initiation for members and installation ceremonies were held in the auditorium January 3, 1951. Thespian officers are: Bob Poor, president; Flo McGuffey, vice-president; Jane Umbreit, secretary; and Martha Steegmiller, treasurer.

THE 1950 JUNIOR PROM

The 1950 Junior Prom was one of the most beautiful and elaborate ever given at Greencastle High School. For several weeks class committees met to plan the dance and buffet supper in honor of the seniors. Bette Rose Hardy, general chairman, and her committees chose as the theme, Plantation Party.

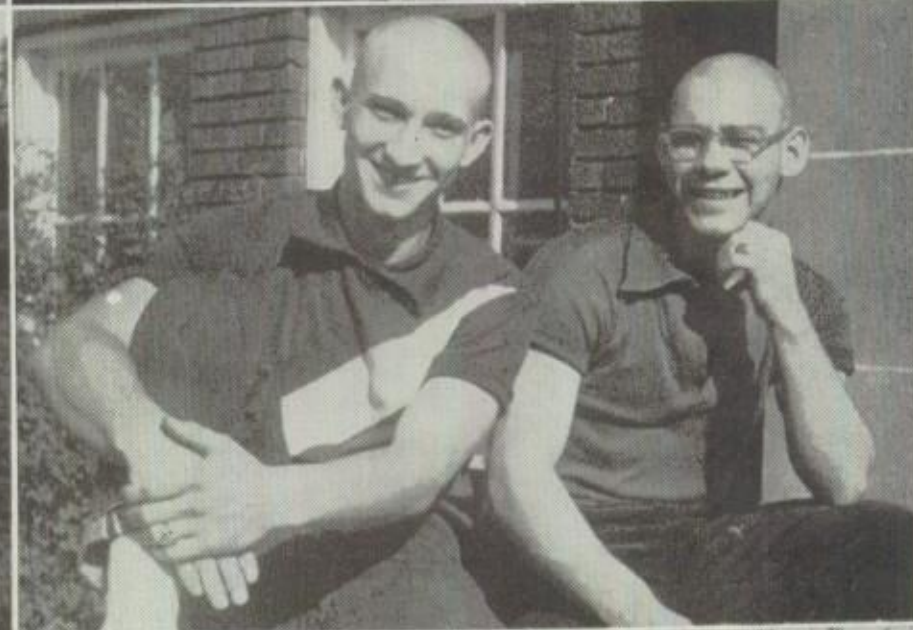

A ceiling of Spanish moss, fir trees, and shrubs transformed the girls' gymnasium into a veritable Southland. At the west end of the gymnasium a colonial mansion with a pillared porch provided a perfect setting for the orchestra. At the east end a willow tree and bubbling fountain, white porch

furniture, and spring flowers lent authenticity to the scene.

More than a hundred couples danced to the music of Jimmy Adami and his orchestra of Terre Haute and participated in the grand march. During the evening the pupils of Doris Hinkle entertained with a floor show.

The receiving line of class officers and faculty sponsors greeted guests in the upper hall. A dining room, a game room, and an outdoor garden lighted by Japanese lanterns completed the setting for the Plantation Party.

Even the weather co-operated to make the evening of May 12 one long to be remembered.
